

## **The Pennsylvania State University**

### **Open Rank Tenure Track Positions in Supply Chain Management Department of Supply Chain & Information Systems (SC&IS) *Smeal College of Business***

The SC&IS Department of the Smeal College of Business at The Pennsylvania State University (University Park, PA) invites applications for one or more open rank tenure-track positions in Supply Chain Management for a Fall 2020 start date. Salary is competitive.

Candidates must have a doctorate degree (granted or near completion by the start date) in supply chain management or related field and a strong commitment to research and teaching excellence. Faculty members are expected to maintain an active research program, perform undergraduate and graduate teaching, supervise graduate students, and engage in service activities.

The SC&IS Department comprises a vibrant, research-active faculty with specific research and teaching interests that run the gamut from strategic procurement to logistics and distribution, from manufacturing and services strategy to retail operations, from sustainable supply chains to behavioral operations management, from health care management to decision analytics. We seek outstanding candidates who would complement these interests with high-quality research and teaching in student-centered and collaborative learning environments.

The Smeal College of Business offers a collegial working environment and excellent campus facilities. The SC&IS Department ([www.smeal.psu.edu/scis](http://www.smeal.psu.edu/scis)) also has strong connections with the business community through research centers that provide opportunities to interface with faculty across various disciplines within Smeal and across Penn State. For more information, please visit [www.smeal.psu.edu/research-centers](http://www.smeal.psu.edu/research-centers).

Applications should be submitted directly online at: <https://psu.jobs/job/90670>. Review of applications will begin approximately October 1, 2019 and will continue until the position is filled. For further information, please contact Dawn Corman at [drc18@psu.edu](mailto:drc18@psu.edu).

Applicants should upload a letter of intent, a statement of research and teaching, and a CV. Contact information for three references also should be provided. If presenting at INFORMS 2019 or DSI 2019, please indicate presentation time slot and location.

**Interested candidates are to apply directly online at: <https://psu.jobs/job/90670>**
